Statements

1. A statement sought by Hon. Joseph Juma from the Chairperson, sectoral Committee on Tourism, Environment, Forestry, Water and Natural on the status of Kibabii-Sasuri water project. Thank you, Madam Speaker. This is the order of the businesses for this week.

*(Applause)*

**Madam Temporary Speaker:** Honourable members that is the business for this week. I want to make this passive communication to the chairpersons of various committees; that during the HBC, we realized that many committees had little or no business, therefore, it calls upon us the chairpersons; to make sure that we have business for the House to run. You realize that this week's business we have very little to do. As much as we are engaged in various activities as legislators; let us also make sure that we complete most of the committee work and bring reports on the floor of the House.

## MOTIONS AND BILLS

**Madam Temporary Speaker:** Honourable members, we don't have a motion for today and we therefore, adjourn to tomorrow at 9:30 in the morning.
