ADJOURNMENT

Mr. Speaker: Hon. Members, we are adjourning and resuming our sitting at 10.30 a.m. and the issue at hand is that the report that we are to handle has some timeline arising from the World Bank funding, that this motion has to be approved, so that it can be able to factor in the funding to the Nang'eni informal settlement scheme in Webuye Township.

We will break and resume at 10.30 a.m. please, handle this one, finish, then go back to our track suits and be able to prepare so well because I am told that yesterday some of the ladies from other counties were playing men in football and our men were seeing dust. So I think we need to prepare more than that. Thank you, let's adjourn accordingly.
