NOTICES OF MOTION

REPORT BY THE BUDGET AND APPROPRIATIONS COMMITTEE ON THE FIRST SUPPLEMENTARY BUDGET ESTIMATES FOR FINANCIAL YEAR 2022/2023

Mr. Speaker: Chair, Budget and Appropriations Committee

Hon. Jack Wambulwa: Thank you, Honorable Speaker. I hereby give notice of motion on a report by the Budget and Appropriation Committee being the first Supplementary Budget 2022/2023.

Mr. Speaker: Thank you honorable Chair for Budget Committee. Honorable members, a notice has been duly issued by the Committee on Budget and Appropriation on the First Supplementary Budget Estimates for the FY 2022/2023. I direct now the committee clerks to share out this report to the honorable members to digest the same as its going to form our major business on our Order Paper in our 2:30 p.m. sittings. So as we adjourn, let the honorable members have copies on the gadgets so that they are able to go through the budget when we come back for hearing the motion, they will be able to have the contents clear in their minds.

From the gazzetment of the Special Sitting and my communication, Morning Session was meant for tabling the Budget Report which I will urge members that once we have copies on their gadgets, go through it so that we are able to have an easier time during the Committee of the Whole House because we want this things dispensed by tomorrow in the afternoon as we break for our training/capacity building. Hon. Jeremiah what is the issue?

Hon. Jeremiah Kuloba: The issue is that some of us are not conversant with using these gadgets. Could we be provided with hard copies, just a special case to some of us. I didn't mean the Whole House. I am among them.

Mr. Speaker: We appreciate your sentiments. We will make arrangements but as you are aware yesterday's theme in Jamhuri day was the application of technology in our today's lifestyle. Although you are growing younger but I think we are going to make arrangements for you.

Hon. Jeremiah Kuloba: Maybe Mr. Speaker, I was speaking on behalf of other members.

Mr. Speaker: Honorable members, sometimes I get amused. On our BCA wall, I was seeing you commenting loudly and without even making any mistakes in typing. Now when it comes to budget, you become handicapped. We appreciate we are going to have gadgets availed to you in due course.

Everybody is going to be given a gadget in due course but for the time being, just use that small common sense you have to access that budget. Go through it so that you are able to have the information but in the meantime, table clerks we have some honorable members like Hon. Jeremiah is saying because of his young age, he can't be able to read through the gadget properly. Provide him with a copy. Equally that man from Kibingei has that problem.

We adjourn accordingly and resume at 2:30 p.m. during our time for hearing this motion.

(House adjourns)
