Hon. Busolo Sudi: Thank you Honourable Speaker. I rise to make some amendments on a motion presided by the Health and Services Committee following the motion on the status of equipment in Bungoma county referral hospital (BCRH), which I totally support. I wish to move slight amendments to be included as part of recommendations by the Committee on Health Services as follows;

Unfortunately the Mr. Speaker the mover is not around, I don't know if I'm in order.

Mr. Speaker: Don't worry. Hon. George Makari, your mover of the motion is not here, so what are we doing? It can't go on if the mover is absent, it can't go on Hon. Sudi because we want to take note.

Hon. Busolo Sudi: He is not there.

Mr. Speaker: What are you saying Hon. George?

Hon. George Makari: Honourable Speaker, the mover went for a funeral and he told me he is coming back at 2:30 and...

Mr. Speaker: Its 2:30

Hon George Makari: Unfortunately, Honourable Speaker, he has no arrived, can we go to the next business then if he arrives we can take up the issue. Thank you.

Mr. Speaker: Yes we can do so, but he need to know that basically once you have been given a chance to move a motion you become captive of the House until that matter is dispensed of with.

Hon. George Makari (Mover): Thank you Honourable Speaker. This is a report of the House Business Committee on the affairs of the County Assembly from 10th February to 25th June 2026. Honourable Speaker, on page two is the table of contents, on page three is a preface and establishment and mandate. With you permission allow me to proceed to...

Mr. Speaker: But before we do that, you must confirm the quorum; you are not an exception committee

Hon George Makari: Thank you Honourable Speaker.

Mr. Speaker: Yes. Can they be upstanding?

(Loud consultations)

Can I confirm Hon. Sudi Busolo is not a Member of this committee?

(Laughter)

So, this is what I was saying in House Business Committee, chaired by the Honourable Speaker. That is what I've been saying in committees, you know what follows, and automatically you won't proceed.

Hon. George Makari: Honourable Speaker, we are not exceptional and I'm guided well. Thank you.

Mr. Speaker: So it collapses back to the same HBC for reallocation again.

(Applause)

Now, that one having been dealt with now I'll come back to Health Committee. Members I'll appeal to you again, let Members take committee affairs seriously.
